Certificate

To Whom It May Concern,

This letter certifies that the CyberSecurity and cyberIntelligence Engineering Program at the National School of Applied Sciences of Tangier (ENSAT) is officially delivered in the English language.

The engineering cycle covers three (3) academic years, during which all core modules, lectures, practical sessions, evaluations, and academic activities related to the CyberSecurity and cyberIntelligence curriculum are delivered in English.

Should you require any additional information or documentation, please do not hesitate to contact us.

Sincerely,

Professor Saiida LAZAAR
